Second biennial joint conference

"Capturing Imaginations - Building Skills" is a two-day conference for educators, program providers, business and non-profit professionals, as well as policy-makers who are interested in investigating the latest advances in youth learning in STEM education. SciMathMN is collaborating with Minnesota's afterschool network, Ignite Afterschool, to convene this comprehensive conference Nov. 29-30 at the University of Minnesota Conference Center in St. Paul.

STEM Day at the State Fair 2017

With more than 13,000 visitors to the renamed Dan Patch Park at the Minnesota State Fair, STEM Day 2017 was another stellar day sharing the variety and breadth of resources and activities available to Minnesotans to engage in science, technology, engineering and mathematics. Sponsors of this year's record-breaking day were: 3M, Boston Scientific, and Smiths Medical (Platinum), Seagate Technology and Orbital ATK (Silver), MTS Systems (t-shirts), and MnDOT (tote bags).

Need teaching resources?

Minnesota STEM Teacher Center

Educators across Minnesota are using the free resources at the Minnesota STEM Teacher Center to support their professional development and develop new classroom curriculum in mathematics and science. The site was produced in collaboration with the Minnesota Department of Education and is supported by the MN Council of Teachers and Mathematics, the Minnesota Science Teachers Association, and the Minnesota Technology and Engineering Educators Association.
